

“

Capturing the balance between
dynamic city living and serene
natural environment.

Renowned.
Proven.
Trusted.

Summarecon Group

Summarecon, a journey built on the trust of our customers.

"Summarecon's narrative began 45 years ago when Mr. Soetjipto Nagaria envisioned the building of homes supported with extensive infrastructure and facilities in Kelapa Gading, Jakarta. With hard work, perseverance and a strong sense of responsibility to delivering on promises to build better homes, this commitment earned the trust of our customers and built the bustling township of Summarecon Kelapa Gading."

Embracing our key values of "IT IS BEST at Summarecon", we have continuously upheld these guiding principles to expand the development of integrated townships to Serpong, Bekasi, Bandung and Makassar, and the suburb of Summarecon Sekar Karawang. With developments spread over more than 2,000 hectares, what defines us is our customer passion, innovative spirit, drive for excellence and

sustainable practices to providing quality experiences and delivering meaningful value to those who matter most - our customers. "IT IS BEST" defines our work ethics of Integrity, Teamwork, continuous Improvement, Service excellence, Balanced life and family values, Effectiveness and efficiency, Speedy actions, and cap it all with Commitment.

About Summarecon

Having successfully built 4 major self-sustaining townships in Java, and grooming the 5th township in Sulawesi, Summarecon is now presenting its latest creation, an Indonesian Gem in the making.

Presenting Summarecon's
latest Indonesian Gem:
Summarecon Bogor.

swa

The SWA Group is an urban planning, design and landscape architecture firm working worldwide from seven offices. Throughout its 50+ year history, The SWA Group has embraced the idea that planning and design can shape the environment in fundamental ways.

Founder of SWA:

Hideo Sasaki

As the founder of Sasaki, Walker and Associates, he led a firm that emerged into the forefront of complex environmental design, focusing on the interaction of land, buildings, and the greater environment. In 2000, he was awarded the Centennial Medal by Harvard for extraordinary achievement in landscape architecture.

Masterplanner From SWA:

Andrew Watkins

Andrew is an architect, planner and urban designer who graduated from Harvard University with more than 15 years of professional experience. Andrew has led design projects in diverse locales, the United States, China, Indonesia, India, South Africa, Botswana, Ethiopia, Germany, Italy, Armenia and Mexico.

“

We strive to create a unique, high quality residential community that provides places to rest, relax and recharge. Leveraging the golf course and natural beauty of the site while establishing a dynamic town center area near the highway that provides a shopping destination.

Harmoniously integrating a
modern lifestyle with nature.

Summarecon's Excellence

Our Improvements For Building Better Homes

With the implementation of Summarecon Quality Improvement Initiative (SQII), Summarecon will surely deliver even greater residential products with the best quality for the comfort of the buyers to either live in or invest.

Bringing the best of Bogor
to your doorstep.

We welcome you to
Summarecon Bogor.

New City,
New Environment, New Life.
