Alam Sutera
RESIDENTIAL & LIFESTYLE COMMUNITY

Key Highlights

Enhanced Security

Keeping your family safe is our number one priority. Our security system does not only rely on well-trained staff and protocols, but also on our advanced security technology, featuring Electronic Gates, CCTVs, Panic Buttons, and a Central Command Center to provide reliable safety, security and emergency responses for our residents.

Accessibility & Connectivity

Our masterplan upholds accessibility and connectivity, internally and to its surroundings. It has direct Toll Road access, which connects to Jakarta and Greater Areas. It also features remarkable internal connectivity with access roads, pedestrian and bike lanes, and Suteraloop, a public transport for in-town commutes.

Green Living

We believe in sustainable living, where developments are built in harmony with the nature, and not against it. This township promises a nature enriched environment, with the abundance of lush open spaces, green tunnel, interconnected pedestrians, bike lanes, and other green living facilities, such as bike parking and neighborhood gardens.

World Class Amenities

As an independent township, Alam Sutera promises major amenities for its citizens with sensational selections of modern amenities from business & commercial districts, office towers, schools & universities, hospitals, to shopping, lifestyle & entertainment centers.

Sense of Community

To nurture a sense of community, our development combines a holistic approach to its physical and non-physical aspects, focusing in civic spaces and communal facilities, such as parks, sport lounge, to policies and activities like the car free day, festivals and events.

Live at The Heart of Alam Sutera

Nestled in a pristine corner of the township, Sutra Winona offers the ease of a 5-minute ride to the Toll Roads, Jl. Raya Serpong, and Graha Raya with access to Bintaro and South Jakarta. Live conveniently close to Downtown Alam Sutera, surrounded with all its major amenities, from businesses, retails, commercials, to hospitals, schools & universities – simply have everything in reach.

A Timeless Architectural Masterpiece

Inspired by the timeless beauty of American Summer Houses, Sutera Winona integrates this modern-classic approach into its stylish, 3-storey landed-house architecture. As a response to the increasing land price and the shifting needs of urban-families, Sutera Winona introduces a new residential design, offering a bigger building, providing a more optimized use of space, better functionality and value compared to other residences in town.

A Room for What You Love

The studio on the ground floor offers a room for the things you love. Have the flexibility of space and freedom to bring your dream to life. Turn it into a workspace, gym, kids playroom or bedroom – everything is possible.
